

FREE ABORTION ON DEMAND! NO FORCED STERILIZATION!

Roe v. Wade 50th Anniversary Speakout + Counter-Protest

Speakout at the 17th police precinct followed by march to St. Patrick's Cathedral to counter-protest their Vigil for Life. The Catholic Church has stepped up its aggressive attacks at NYC women's health clinics and towards abortion clinic defenders, all with the collusion of Mayor Adams' Strategic Response police unit. We DEMAND the separation of Church and State.
